

We cordially invite you to our seminar on April 27, 2023 in Međugorje, Bosnia and Herzegovina.

The foundry industry is currently strongly affected by the energy and supply chain crisis. Therefore, we would like to address important topics such as energy efficiency and productivity increase in our seminar. In various presentations, approaches, solutions and product innovations for your foundry will be presented. The seminar day is followed a special networking opportunity where you get to connect with Bühler, industry partners and the regional die casting industry.

Practical information

The seminar will take place in the **Etno Selo Herceg**, Gospodarska zona, Tromeda, 88266 Međugorje, Bosnia & Herzegovina. The participation to the seminar is free of charge. We have pre-reserved a limited contingent of hotel rooms for you for three nights (April 26-29). If you would like to book one of these pre-reserved rooms, please contact Ms. Dugandžić via info@etno-herceg.com. Please indicate that you would like to book a room from Bühler. However, please note that the hotel will not be paid by Bühler. Lunch and dinner for April 27 to April 28 will be provided by Bühler. Please make sure to book breakfast with your room booking.

The following **networking day** is part of the official seminar program. Please notify us if you cannot join the networking day. The transport and hospitality for this day is organized by Bühler. You are also welcome to join us for an optional dinner on the evening before the seminar, on April 26. In case of any questions or different preferences please send us an e-mail via die-casting@buhlergroup.com.
